## WEEKLY OBSTRUCTION NOTICE

March 28 to April 11

### TRAFFIC OBSTRUCTIONS AND LANE CLOSURES

- Wall St. between Wellesley and Francis avenues will have intermittent obstructions between 9 a.m. and 3 p.m. each week day. The Water Dept. will be working on water services in preparation of a project that will start later this spring that will rehabilitate Wall St. from Francis to Princeton avenues.
- Boone Ave. from Maple to Walnut streets will be reduced to one lane in each direction. Additionally, Boone Ave. from Maple to Ash streets will be reduced to one eastbound lane, with westbound traffic being detoured to Maxwell Ave. for the next week. City water crews will be installing a water relay in preparation of the Maple and Ash streets rehabilitation project that will start later this spring and rehabilitate these streets from Broadway Ave. to Northwest Blvd.
- Northwest Blvd. between Maple and Ash streets will have traffic obstructions and possible lane closures next week between 8:30 p.m. and 6:30 a.m. each day. The City Water Department will be working on a water main.
- Madison St. near its intersection with First Ave. will have the sidewalk closed and some traffic disruptions until September while the New Madison building is being renovated.
  - Post St. between Riverside and Main avenues has no parking or pedestrian traffic on the west side of the street until the end of this year. Pedestrians on Riverside Ave. are detoured to a passageway in the parking lane. The closure is needed for crews to renovate the Grant Building; a bank will be on the first floor and office space on the second and third floors.
  - Spokane Falls Blvd. east of Riverpoint Blvd. is reduced by one lane. Construction crews are working on a new nursing school.
