To maintain our outstanding ethical background and improve our professional standing in and around our community and be seen as a valuable asset.

**What are your leadership strengths and skills and how will they enhance the SAR Board of Directors?**

My background includes extensive experience working in risk management for a securities company and later as a director of administration for a non-profit, overseeing paid staff and a large group of volunteers while running day to day operations. I have learned to work with diversity both in the political and domestic arena with positive solutions. These strengths and skills will compliment and add to the current SAR Board of Directors.

**Short Bio:**

I am a mother of 3 adult children and 4 grandchildren. I have lived in Spokane with my husband for the past 36 years. I love our community how the people come together to care for one another. I believe in giving back to my community. I currently sit on the Windermere Foundation Committee and volunteer for Family Promise of Spokane and Vanessa Behan. I also currently serve on two SAR committees, Budget & Finance and Professional Development. I believe it is important to become involved and serve in my profession in any way possible.

I enjoy hanging out with family and friends whenever I can.

I have been in real estate for 7 years. What I love the most about being a real estate broker is helping people achieve their dream of buying a home, whether it is their very first one or 6th. My motto is " I make your real estate dream a reality". Building relationships to last a lifetime is what I strive for, whether it's my clients, family or friends.
