Yes, you!

What is an Affiliate Member?

An Affiliate Member of the Spokane Association of REALTORS® is:

- a real estate owner or an individual or firm not engaged in the real estate profession.
- interested in information concerning real estate.
- in sympathy with the objectives of the Association.

What are the objectives of the Association?

1. To unite those engaged in the real estate profession for the purpose of exerting a beneficial influence upon the profession and related interests;
2. To promote and maintain high standards of conduct in the real estate profession as expressed in the Code of Ethics of the National Association of REALTORS®;
3. To provide a unified medium for real estate owners and those engaged in the real estate profession whereby their interests may be safeguarded and advanced;
4. To further the interests of home and other real property ownership.

Why should I become an Affiliate Member?

LEGISLATIVE CLOUT = Why be only a voice in the dark when restrictive legislation is proposed that will adversely affect you or your business? Many government regulations that inhibit your freedom have the same impact on REALTORS®. As a part of the REALTOR® organization, your voice will be heard and become a part of the collective and unified position that will not only help block bad legislation but can help enact legislation that is good for the business community and private property rights.

COMMUNICATION = You'll be able to keep in touch with local REALTOR® activities by receiving the weekly electronic Notices. Association policy does not allow for the distribution of the Association roster or mailing labels to nonmembers. Affiliate members have access to this service.

SOCIALIZING = Membership in the Association is not all work. Each quarter there is a General Membership Meeting and you are welcome to attend any or all social occasions. We thank our Affiliates annually with a social gathering just for them. Occasions such as these will allow you to get to know REALTORS® and other business associates under conditions more relaxed than in an office.

COMMITTEE ACTIVITIES = You are invited to participate in Association committee activities. The Education Committee and the Communications Committee are two places you might find a spot to put your talents to

work.

EDUCATION = The Association offers a number of courses and seminars. Most programs are designed especially for REALTORS®, but you would be welcome to attend on the same basis as a REALTOR®.

COMMUNITY RELATIONS = You can cooperate/participate in REALTOR® projects.

BUSINESS LEADS = Of course, it goes without saying that in the Association you will have a congenial source of business leads and prospects.

How do I join?

Contact the Spokane Association of REALTORS® for an application for further information.

What's it cost?

Your investment is an application fee of \$100, and yearly dues of \$315.
